

## 52. MTS

### Bare shaft pump end

| Model   | Description                    | Kit No   |
|---------|--------------------------------|----------|
| MTS 20  | R28 DQ Tank top, Pipe          | 98486932 |
|         | R38 DQ Tank top, Pipe          | 98488444 |
|         | R38 DQ Tank top, Pipe, 100 bar | 98486510 |
|         | R46 DQ Tank top, Pipe          | 98488588 |
|         | R56 DQ Tank top, Pipe          | 98488615 |
|         | R28 D8.6 Dry installed, SAE    | 98488731 |
|         | R38 D8.6 Dry installed, SAE    | 98488736 |
|         | R46 D8.6 Dry installed, SAE    | 98488738 |
| MTS 40  | R56 D8.6 Dry installed, SAE    | 98488740 |
|         | R38 DQ Tank top, Pipe          | 98488617 |
|         | R46 DQ Tank top, Pipe          | 98488619 |
|         | R38 D8.6 Dry installed, SAE    | 98488798 |
| MTS 80  | R46 D8.6 Dry installed, SAE    | 98488800 |
|         | R36 DQ Tank top, Pipe          | 98488641 |
|         | R46 DQ Tank top, Pipe          | 98488684 |
|         | R36 D8.6 Dry installed, SAE    | 98488812 |
| MTS 140 | R46 D8.6 Dry installed, SAE    | 98488813 |
|         | R39 DQ Tank top, Pipe          | 98488706 |
|         | R46 DQ Tank top, Pipe          | 98488707 |
|         | R39 D8.6 Dry installed, SAE    | 98488814 |
| MTS 210 | R46 D8.6 Dry installed, SAE    | 98488815 |
|         | R40 D8.6 Dry installed, SAE    | 98488817 |
| MTS 280 | R46 D8.6 Dry installed, SAE    | 98488832 |
|         | R43 D8.6 Dry installed, SAE    | 98488833 |
| MTS 440 | R46 D8.6 Dry installed, SAE    | 98488835 |
|         | R40 D8.6 Dry installed, SAE    | 98488836 |
|         | R46 D8.6 Dry installed, SAE    | 98488838 |

### Coupling MG 160 - MTS 20/40/80

| Content description           | Kit No   |
|-------------------------------|----------|
| Coupling half for motor 42x45 | 96960307 |
| Coupling half for pump 19x45  |          |
| Coupling inner part           |          |

### Mechanical seal

| Description       | Pos. No | Kit No   |
|-------------------|---------|----------|
| MTS 20/40/80 D8,6 | 186     | 96895832 |
| MTS 140/210 D8,6  |         | 96895833 |
| MTS 280 D8,6      |         | 96895834 |
| MTS 440 D8,6      |         | 96895835 |

### Shaft seal ring

| Description     | Pos. No | Kit No   |
|-----------------|---------|----------|
| MTS 20/40/80 DQ | 183     | 96895819 |
| MTS 140 DQ      |         | 96895821 |

### Wear parts

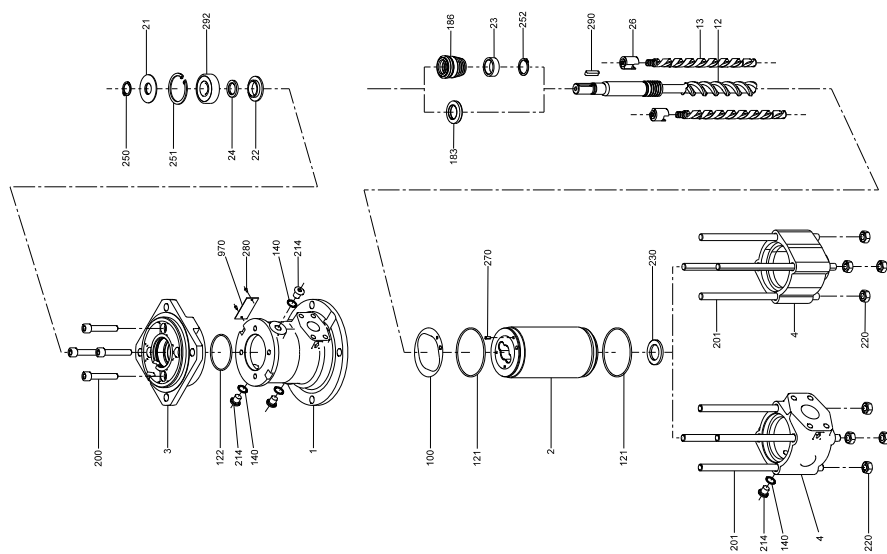

| Description | Kit No   |
|-------------|----------|
| MTS 20      | 96895836 |
| MTS 40      | 96895837 |
| MTS 80      | 96895838 |
| MTS 140     | 96895839 |
| MTS 210     | 96895840 |
| MTS 280     | 96895841 |
| MTS 440     | 96895852 |

### Content wear part kit

| Description              | Pos. No  |
|--------------------------|----------|
| Pressure balancing bush  | 26       |
| Gasket*                  | 100      |
| O-rings                  | 121, 122 |
| Seal ring                | 140      |
| Thrust disc*             | 230      |
| Circlip*                 | 252      |
| Deep-groove ball bearing | 292      |

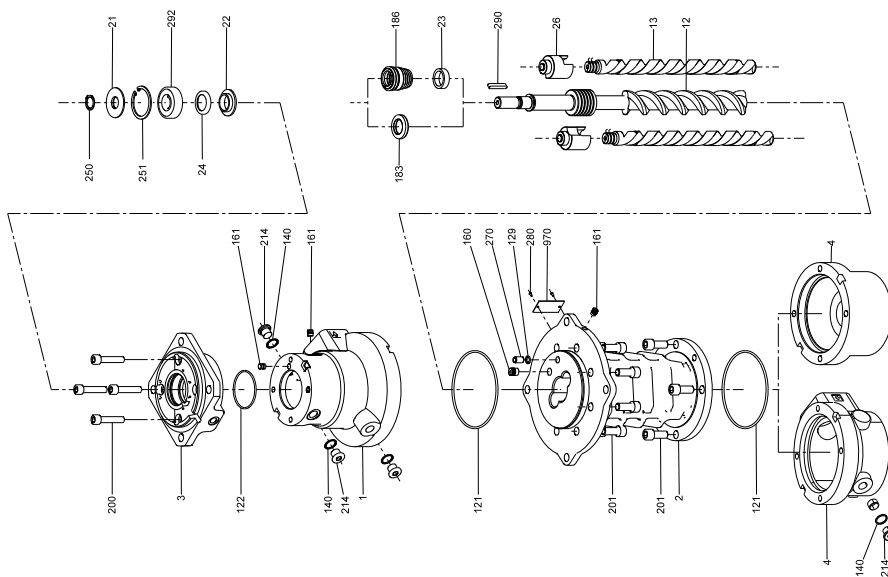

\* Only for models MTS 20, 40.
